Parent signature _____ Date _____

- Students with a diagnosis of dyslexia as the primary learning disability are considered.
- The 3-D School does not provide intervention services for students with autism.
- Students exhibiting ADHD behaviors must be under a doctor's care.
- Parents not committed to having the student complete 3 full years should not apply.
- **Submitting this form does not guarantee the student a placement in the school.** After completion of an interview with the parent(s), prospective student, and a review of the evaluation report, a decision will be made as to the placement of the student.
